Procedures and Policies for maintaining physical, academic and support facilities:-Laboratory, Sports Complex, Computers, Classrooms etc.

We try to use every part of this college in 100%. Library is the center of knowledge. Library is opened from 10.30 P.M to 5.30 P.M daily without any break so that each and every student of this college may use either taking books as a loan or reading text books, reference books, and journals by sitting there. All kinds of journals and magazines are purchased by the librarian regularly. As far as sports is concerned, the sports officer is ordered to make arrangement of almost all games to be played simultaneously so that maximum numbers of students may take part. Heads of Laboratories have been ordered to make use of lab equipment and other chemicals maximum in rotation for all students so that theory parts of their subjects may be 100% clear in the practical works.

The head of the Computer lab is ordered to use each computer maximum in rotation for the benefit of the students and also provide computer training programme regularly for the class I. II. III and IV staffs of the college so that efficiency of each and every staff of this college may be increased many times for doing their job quickly and smoothly. As far as classrooms are concerned, attention has been paid maximum to use each class maximum in rotation in period time table for running of classes.
