

Describe at least two institutional best practices

1.A beautiful garden has been developed in college campus which is a centre of attraction for the students,teachers and the guests who visit every day of this college campus.At the same time this NSS unit makes the whole college campus neat and clean round the year and every year this NSS unit plants new plants for betterment of environment and suitable place for development of higher studies in this college campus. At the same time round the year the NSS unit waters those plants for getting a manhood of those plants for a beautiful college campus.

2 This year the N.S.S camp was arranged in a remote backward village. The N.S.S camp of more than fifty five students and teachers paid special attention for all round development of villages in all respect in the fields of education,health,environment and all kinds of life styles ect.by visiting those villages 10 kilometers away from college for investing there 168 hours with villagers.
