**Provide the details of your performance of the college in one area distinctive to
its vision, priority and thrust**

Under the NSS activities a beautiful garden has been developed in college campus which attracts the students, teachers and the guests for its beauty along with neat and clean campus. Besides this a 7 days camp has been organised in patelpara (Balood) villages 10 kilo meters away from college by NSS volunteers focusing on education,health, environment and all kinds of life styles etc.
