Procedures and policies for maintaining and utilizing physical, academic and support facilities – Laboratory, Library, Sports Complexes ,Computers , Classrooms etc.

We try to use every part of this college in hundred percent. Library is opened from 10.30 to 5.30 p.m. positively without any break so that each and every student of this college may use either taking books as a loan or reading text books, reference books or journals by sitting there. All kinds of journals and magazines are purchased by the Librarian regularly. As for as sports is concerned, the sports officer is ordered to make arrangement of almost all games to be played simultaneously so that maximum numbers of students may take part. Laboratory incharges are ordered to make use of labequipments and others chemicals maximum in rotation for all students so that theory parts of their subjects may be 100% clear in this practical works.
