

//Program Outcomes, Program specific Outcomes, and Course Outcomes for all Programs offered  
by Institution //

Govt.D.P.G.College Dantewada offers the Programs and Courses like B.A., B.Sc., B.Com, M.A.(History & Pol. Science), M.Sc. (Phy.,Che, Math. Bot &Zool ) , I.T. Computer Science and B.C.A.

B.A. Course offers the chances to the admitted students to develop the faculty of arts. Here arts mean all kinds of basic knowledge of History, Sociology, Political Science, Psychology, Economics, Hindi Literature and English Literature. Through these subjects we provide those super needed information for becoming a complete man to face all the challenges of life as to be posed by the fast growing world.

B Sc. Course provides the information of science specially what is happening every second in the age of Science &Technology. . Without knowledge of Science we can not survive on this planet. Science opens the secret of nature for a better life to live in this world.

B.Com course provides a lot of information about Commerce and Business. It makes us a successful business man. How to deal a business properly, is to be learnt by Commerce subjects. The whole world is controlled by business and marketing management. So, it is better to get mastery over subjects like business and marketing management.

P.G. classes like M.A. and M.Sc. give us a deep knowledge about the subject of arts and science for becoming a scientist. If I know the world perfectly it is better to live a good and healthy life and also at the same time we can keep this planet healthier.

Finely these courses give us a degree through which we can face UPSC, SPSC, and other services. Without degree we can not be eligible for becoming academic or administrative officers. At the same time these degree make our thinking higher and make us a confident man, As it is the need of time to be a higher thinking person for a better world ,so that is reason every day new colleges are being opened by Govt in the all corners of the country.
